This evaluation is important in determining the value of your experience, both for yourself and for other students who may choose to co-op with this company/agency. Your answers should be honest and indicate problems as well as the progress you feel you made during the work term. This evaluation is confidential and will not be discussed with your work supervisor. It may, however, be shared with University faculty or administration on a "need to know" basis; or if you are applying for academic credit, it will be forwarded to your academic department along with other supportive documents.

Please choose the response which best describe your Co-op experience.
